

Health and Safety Policies for Faith in Motion Winter Camp

Children of the Light Dancers is committed to the health (spiritual, physical and emotional) of the children in our care. To ensure a safe environment for our campers and staff, the following protocols will be followed for Camp 2021. We are monitoring state/local guidance and will alert you if there are any changes to these policies before the start of camp.

If at any time you have questions or concerns, please do not hesitate to contact our Camp Director, Jeannine Lacquement at childrenofthelightdancers@gmail.com

Before Coming

Complete a health screening at home, including a temperature check, to examine your child's general health. If any of the following symptoms are present: fever (100.0+F), cough, runny nose, muscle aches, nausea, loss of taste or smell that morning, please text Jeannine (571-528-2400) and do not come to camp.

Drop Off & Pick Up

Please check in your camper at our **Check In Table** located in the lobby of the church. After checking in, campers will move directly to their camp group. Check in will start at 9:45 am. Camp ends at 2:00 pm. Campers will only be released to their parents or authorized adults. They will not be released to their siblings.

Illness Risk Reduction

Hygiene – Everyone will wash hands before and after eating and art activities.

Masks -Christ Our Shepherd Church currently requires that masks be used inside the building by anyone age 5 and older who is not fully vaccinated for Covid-19 . Therefore, our camp policy is for campers age 5 and older to wear a mask while inside the church building. Exceptions: when eating & drinking, and those who have medical reasons for not wearing a mask (please email childreofthelightdancers@gmail.com in advance of camp). When a camp activity is held outside the building, campers will have the option to remove their masks. Weather permitting, some camp activities may be held outside.

If you want your child to wear a mask outside as well, please tell us during check in and we will make sure the coach knows.

All camp staff have been fully vaccinated and will wear masks inside also, even if fully vaccinated, except when actively engaged in teaching, and acting on stage. They will not wear masks during outdoor activities.

We ask that all parents please wear a mask inside the building during camp, regardless of vaccination status. We encourage socialization outside the building where masks are optional. Thank you!

Illness - If a child exhibits any symptoms of illness during camp, he/she will be immediately isolated and the parents will be contacted to come pick up their child. During the week following camp, if your child is diagnosed with an illness (ex. pink eye, lice, Covid-19), please immediately notify Jeannine Lacquement at childrenofthelightdancers@gmail.com.

We look forward to a healthy and safe Faith in Motion camp experience for everyone!
